

STUDIO
est. TWO *22*
SPACE

ROTTERDAM

Hi you, we love to welcome you at our studio! Make yourself at home but first read this short guide for a fun day!

When you enter the studio feel free to **take off your shoes** and feel at home!

You can also **move the furniture by picking it up**, please don't shove it, our floor doesn't like that.

We hope you have a good day and when you leave, don't forget to **close the doors** and **turn off the lights**!

and don't hesitate to call us when you've finished earlier or later!

Move to the next page to see how you can enter the studio.
See you soon!

“Creativity is experimenting, growing,
taking risks, breaking rules, making
mistakes & having fun”

- Mary Loo Cook

Where to find Studio Two Space ?

The studio is located at a building called 'De Wasserij'. Once you enter the front door, go to the right, end of the hallway and up the stairs (second floor).

We will be there at your scheduled time to welcome you and your team. Parking is possible in the area, but, unfortunately, you're not allowed to park on the private property of De Wasserij. If you would like to drop off some of your stuff, you can park the car in front of the door for a brief moment.

Traveling with public transport? Station Noord is just a 5 minute walk and both tram 8 & 4 stop around the corner. At stop "Soetendaalseweg"

Our address is:

Sint Agathastraat 54
3037SH Rotterdam
Unit: 2.2

Thank you so much for visiting. See you soon!
